## THE IDEAL HOME.

A writer in the Farm Journal says:  
"The surest way to retain your hus-  
band's love is to make him happy.  
Pull up your shades and let God's sun-  
shine into your homes and into your  
hearts. If you are not your husband's  
sunshine, you can't be his. If you can't  
have any joy with him on any subject, but  
you can with him on the last moon in each  
month, there isn't beauty in him and  
low thinking."

"There's a why for every wherefore,  
and the why for family jars consists in  
not knowing how to manage. Now,  
we have got the best husband in the  
world, and I'll wager ten to one that  
if any other woman undertook to draw  
the matrimonial reins they would kick  
over the traces, smash up the whittle-  
trees, and raise hell in general. They  
don't understand the science of man-  
agement. You must lead, not drive.  
The only way is to look humble and be  
desperately cunning; bathe with  
ambission, then throw the nose over  
their will; walk round the hump of an-  
tagonism, and pat the back of self-con-  
tent. It is a great mistake to contend  
with the 'lords of creation'; what  
can't be had by force must be won by  
strategem. Make a silent reén of love  
and lead them where you will, but un-  
der no consideration must you attempt  
to drive or they will at once cause of  
to the farthest limit of the matrimo-  
nial pasture."

"Then let us have homes in which  
there shall be no searching blasts of  
passion, no polar storms of coldness  
and hate; homes reined by books and  
governed by woe; homes in which  
wife and mother shall not know all her  
affection, charms by unremitting toll  
and drudgery, nor the husband and  
father stave his brain and dwair his  
soul by hours of overwork; homes in  
which happy children shall ever see  
the beauty of love and holiness; homes  
of culture and homes of love."

The deed to the land on which the  
Lindsey-Wilson Training School will  
be located has been made and the pur-  
chase price paid, and the building  
has been adopted, and we  
are being received and the contract will  
be set at once. The contract price of  
the building will be paid in installments  
within the next six months, and the  
balance will be paid in four years.  
At once we will have to borrow money  
and pledge their notes to secure same.  
If you are loyal to the cause pay up  
your subscription and don't  
hesitate to make the statement to  
anyone. Pay at least one half of it now.  
By order of the Executive Committee,  
N. M. TUTT, Treasurer.

## HE IS A RUNNER.

## HENRY BOSWORTH

of Fayette County  
Candidate for State Treasurer.

Perhaps the most genial candidate  
now going over the state is Mr. Henry  
M. Bosworth, whose picture appears  
at the head of this article. He is a  
handsome gentleman, but a  
Democrat whom the people of Ken-  
tucky should love to honor. Mr. Bos-  
worth studied law at Frankfort  
and were flouting to the mountain fast-  
nesses. Bosworth, at the head of his  
deputies marched into the car, and in  
what seemed the face of certain death  
dragged out Powers and Davis and  
laid them in the Fayette County jail. A shout of approval and joy went  
up all over the State for this man had  
arrested the instigator of the darkest  
and most dastardly plot in the history  
of the world. Then he was offered a  
hundred dollars escaped unharmed.  
He was traded to jail.

Henry Bosworth, one of the best known  
musical critics in New York, died  
suddenly of heart failure.

A tornado passed through the dis-  
trict around Attalaun, Kas., Thurs-  
day afternoon. The extent of the  
damage is not known.

The main building of Edward Col-  
lege at Austin, Texas, was destroyed  
by fire with a loss of \$15,000. Two  
hundred students escaped unharmed.

Mr. Robert L. Howe, commanding  
the Porto Rican regiment, and charg-  
ed with the report of Gen. Miles with  
the capture of the Philippines, has demand-  
ed a court of inquiry. He is now in  
Washington.

Harry Smoot, Pennsylvania, min-  
er, was shot and killed James  
Wilson, a mason man, during the  
antislavery strike in September, plead-  
ed guilty to second degree murder and  
was sentenced to eight years imprison-  
ment.

Bosworth is a man of education.  
He is a cultured gentleman and has  
a heart that beats tenderly toward all.  
He asks only that his claims be consid-  
ered on his record as a Democrat and  
a man.

If true merit, unquestioned ability  
and unwavering loyalty to Democratic  
principles count for anything, then  
Henry M. Bosworth should receive an  
overwhelming majority at the prima-

te of the election.

Now that the Dedication Ceremo-  
nies of the Louisiana Purchase Exposition  
(the World's Fair) are so close  
at hand, the public is commencing to  
wonder what St. Louis has to offer in  
the way of entertainment to entice  
out-of-towners.

The Henderson Route (which is The  
World's Fair Line) has gotten out a  
very neat booklet, vest-pocket size,  
which contains the complete official  
program of these ceremonies.

It is a modern piece of work in every  
respect, printed in green and red with  
gray antique cover and high grade en-  
ameled book stock inside.

Copies will be gladly furnished on  
application.

They will be glad to learn what is  
going on in Adair, and some of them  
are sure to become regular subscribers.

C. M. D. LEWIS, - - - EDITOR

Dedicated to the Columbia Post Office second class mail matter.

WED APRIL 22, 1903.

For State Treasurer.

We are authorized to announce that Henry M. Bowser, of Fayette county, is a candidate for State Treasurer, subject to the action of the Democratic primary May 8, 1903.

New and decidedly important testimony relative to the Goebel murder conspiracy was adduced in the trial of Jim Howard at Frankfort when Frank Cecil, a former fugitive, took the witness stand. Cecil declared that Caleb Powers tried to hire him to kill Goebel, saying that it had been arranged for a unknown man to do the killing, but he feared the man would not arrive. Cecil and Powers offered him to W. S. Taylor, who offered to pay him \$2,500 to kill Goebel, and to issue a pardon for the murderer. The witness asserted that Taylor, upon his refusal to undertake the murder, made him promise never to reveal their conversation and threatened his life in the event that such disclosure was made. James Stubblefield, formerly of Clay county, testified that Jim Howard told him that he killed Goebel and boasted that his friends would protect him from arrest.

Yousey and Howard agreed to swap affidavits in the event either one of them should be arrested charged with the murder of Mr. Goebel. They were perfectly willing to swear to anything in order to save their necks. Making two different things. There is not a doubt in my mind but Yousey planked down the truth in the present trial of Jim Howard. In fact no living man could get up the witness stand and make up his story.

A dispatch from Madisonville, Ky., says that Judge Clifton Pratt, now the Attorney General of the State, has announced for the Republican nomination for Governor. The Republicans of Kentucky, who are now in office, are generally opposed to Mr. Pratt; and while he is conceded to be one of the best men in the party, he will be turned down in a convention. It is our understanding that Mr. Yerkes, Ex-Gov. Bradley and Mr. Craft are bitterly opposed to Mr. Pratt.

The race for the Democratic nominations for State offices is warming up, and the finish is almost in sight. Every Democrat who has arrived at the age of 21 years will have the right the 9th day of next month to say, by his vote, who is his choice to be voted for at the November election.

What does she care? Miss Rebecca J. Taylor, who was discharged from the War Department for criticising the Administration, has just fallen heir to \$300,000. She is now ready to give positions and continue her chat about the rotten affairs at Washington.

The Democrats of Adair county should remember that Mr. N. B. Hays is a candidate for Attorney General to be voted for at the primary. Mr. Hays is a Democratic worker. He lives in the Eleventh district and Adair county is in the Eleventh district.

Atlanta's after the Baptist Theological Seminary at Louisville, offering \$1,000,000 for its removal. The Georgia Baptist will find they are up against something when they strike their brethren of Kentucky.

So, Taylor denies that he offered Frank Cecil \$2,500 to kill Goebel. Did any body suppose he would own up. Rarely, rarely! "Words are like leaves, and where they most abound, much fruit of sense beneath is rarely found."

The race for the Democrat nomination for Circuit Judge and Commonwealth's Attorney in the district comprising the counties of Green, Taylor, Marion and Washington is getting a little warm, but there is no doubt but Charley Patterson will be re-nominated for Circuit Judge. But little is being said about the Attorney's race, but we are told that Green's candidate is holding his own with the boys and is making a gallant fight.

Frank Cecil testified for the first time in the Jim Howard case last Wednesday. He told all he knew about the plot to assassinate Governor Goebel and said W. S. Taylor offered him \$2,500 and a free pardon to do the killing. Taylor denies that he made the offer and says he does not know Cecil. Cecil also states that he was first approached by Caleb Powers and the offer of the money was made by him for Taylor.

Democrats should remember that in a primary election it is a family fight and that harmony should prevail along the line. The canvass should be so conducted that when the selections have been made, every Democrat can cheerfully, enthusiastically walk up to the polls and vote for the nominees. At this writing there is no telling who the nominees will be, but whoever are selected will be triumphant elected in November.

Henry E. Yonsey testified in the Howard case last Thursday. He stated that Howard came to Frankfort January 30, that he told of the plan, and left him alone in the office of the Secretary State with two rifles, and that he heard the shot that killed Goebel. He further stated that Howard said all he wanted for doing the murderer was a pardon for turning over old man Baker.

On the first page of this paper appears a "write up" of Mr. Henry M. Bowser, of Fayette county, who is a candidate for State Treasurer. He is a Democrat every day in the week and wants the supports of his party friends in Adair county. Give his candidacy a careful consideration and if you think he is the man for the place vote for him at the May primary.

Mr. Chas. E. Sugg, of Henderson county, has a card in today's News. Mr. Sugg is a candidate before the State Democratic primary for Superintendent of Public Instructions. He is one of the best educators in Kentucky and is a true long Democrat. Read his card and give his candidacy due consideration. No better man could be selected for the place.

Mr. Hibert Vreeland, who is a candidate for Commissioner of Agriculture before the primary, is well-suited for the place. He has been an assistant in the office for several years and knows the needs of the farmers. Keep his name before you. No better man could be selected for the place.

While the editor of The News is viewing thousands of cattle upon the plains of Texas, eating fresh vegetables and having a good time for several Kentuckians, the hired man is pushing his business at home, and is kept tolerably busy making answers as to when he will return.

The vote of Adair county will be somewhat divided in the race for Governor. There are Hendrick men and Beckham men. It is only a family fight and the candidate who is successful in the primary will receive all the Democratic votes at the November election.

Frank Cecil was Sergeant-at-Arms of Taylor's Legislature at London, yet Taylor says he is not acquainted with him and has no recollection of ever seeing him.

Col. R. J. Breckinridge has withdrawn from the gubernatorial race.

H. C. Sandidge, Temperance.  
J. Q. Montgomery, Liberty.  
J. F. Barber, Concord.

J. Mayfield, Liberty.  
J. L. Adkins, Gradyville.  
W. K. Ashill, Columbia.  
W. B. Cave, Pierce Chapel.

CHAS. E. SUGG.

I am a busy County Superintendent, and shall not be able to make a close canvass of the State as some of the candidates.

I respectfully solicit your support and promise that, if elected, I will administer the office with due regard for the educational and economic welfare of the State.

Mr. Sugg is now the present Superintendent of Schools of Henderson county.

The high price charged for School Books is only an unnecessary burden upon those who buy books, but it prevents many poor children from entering school.

We pay annually at least \$135.00 more for books than we would have to pay if we had State uniformity of Text Books.

We would have had State uniformity of Text Books long ago but for the Board of Education.

I promise, if elected, to do all in my power to procure this reform, for it means better books, cheaper books and general improvement of the public Schools.

Letting up State uniformity. The following will indicate what advantage it is to the people:

Indiana pays for 1st Reader 10 cents, 2d Reader 15 cents, 3d Reader 25 cents, 4th Reader 35 cents 5th Reader 40 cents.

Ohio 1st Reader 12 cents, 2d Reader 17 cents, 3d Reader 22 cents, 4th Reader 30 cents, 5th Reader 32 cents, 6th Reader 35 cents.

Resolutions passed by the Hender-

son county committee.

Resolved, That as Charlie E. Sugg of this county is a candidate for the nomination of State Superintendent of Public Instruction, we promise to use all honest endeavor to secure him this nomination, and that we most earnestly recommend him to the other counties in this State as fully competent to fill such position. We request him to stand by the principles of his strict adherence to Democratic principles, in that he has successfully fought and "fired" the Bok Tract from Henderson county.

This fact, as well as being a true and tried Democrat, entitles him to the Democratic votes of the State in deciding of their suffrage in the State Primary to be held May 9th, 1903.

**ABSHER.**

Owing to so much wet weather the farmers in this section have gotten considerably behind with their work.

Misses Bettie and Lora Absher and Mrs. S. W. Absher and Ed Pickett visited at Knifley last week.

Quite a crowd of young people of this place went to the Catholic church at Clementsville last Sunday.

P. T. Cooley visited at Knifley last Saturday and Sunday.

The saw mill belonging to Mr. A. Cooley and his son has Friday night, but the fire was checked before much damage was done.

Mr. Ed Breeding, who has been sick for some time, is improving and we hope to see him out soon.

P. T. Cooley will work for the Knoxville Nursey Company during the Summer.

Mr. L. T. Neat, of Garland, Ky., was here business last Saturday.

The Sunday school at this place which was suspended during the winter was reorganized last Sunday with an enrollment of 82 pupils.

S. J. Blair and P. T. Cooley were in Campbellsville on business a few days ago.

**All Were Baffled**

Word comes from Wake, Ark., Rev. John J. Coxhead's range, accompanied by yellow jaundice. For 12 years, physicians were unable through ever, thing known to the profession was used, the trouble remained. One day he began to use Electric Shavers and in a week, a change for the better came and, at length he was entirely cured. It's the most reliable medicine for liver and kidney trouble. Only 6c and guaranteed by all drugists.

The coming of Spring brings this snake story from Iowa. It will do for a starter. A farmer living near Des Moines was relieved of a mysterious illness by having two snakes, one of them over three feet long, ejected from his stomach. The average reader will probably have more trouble in swallowing this story than she Iowa man had in swallowing the snakes.

**A Thoughtful Man.**

M. M. Austin, of Winchester, Ind., knew what to do in the hour of need. His wife had such an unusual case of stomach and liver trouble, physicians could not help her. He thought of and tried Dr. King's New Life Pill and she got relief at once and was entirely cured. Only 2c still draggarts.

A wealthy gentleman, whose tastefully laid-out gardens were often visited by the public, had an old gardener who was in the habit of showing visitors round the grounds. When nearing the exit gate he would, however, suddenly pause and draw special attention to a pretty cluster of modest pebbles, and then, in a very significant tone of voice, exclaim, "These here ladies and gentlemen, are forget-me-nots."

**Makes a Clean Sweep.**

There's nothing like doing a thing thoroughly. Of all the Salves you've heard of, Buckin's Arifica Salve is the best. It sweeps away and cures burns, sores, bruises, cuts, boils, ulcers, skin eruptions and piles. It's only 25¢ and guaranteed to give satisfaction by all druggists.

The spirit of road improvement has become epidemic all over the United States. There is not a State in the Union that is not, to-day bending its energies to the improvement of the roads. While railroads are this year spending \$300,000,000 in improvements, almost as much or more will be spent on the roads of the country and the time may soon come when a man may travel from Washington to San Francisco on good roads. Individuals have long ago realized that to keep in front ranks of progress requires good equipments, and communities are beginning to come to the same realization. The spirit of enterprise demands that counties shall have good roads if they keep up with the procession. People no longer want to live in sections of the country where there are no roads the greater part of the year, and they are not going to do so—Larue County Herald.

**KNIFLEY.**

Farmers have taken advantage of the few fair days and are preparing for their crops.

Wheat is very forward in this section and has been slightly damaged by freezes.

Hog cholera has made its appearance here. Mr. Van Humpreys has lost several head.

H. B. Ingram, who joined the regular army two years ago is home on leave of absence.

At the auction of W. L. Ingram Saturday, April 4, Van Dunbar received the prize shoes for being the highest man in town. Quite a crowd attended the auction and sales were good.

Mrs. Sue Ann Tucker, who was reported sick last week, is improving slowly.

Mrs. Pink Dunbar and daughter, Fannie, visited Mrs. Bettie Hancock and family last Sunday.

Our merchants have just returned from the Louisville market.

Rev. Rollin Trippet and wife visited his sister, Mrs. Willis Aker, a few days last week.

The weather has somewhat settled and farmers have started their plows.

Preparations are being made for a large acreage of tobacco in this section. Prospects are fine for plants.

We are still in favor of a stock law.

**ON OUR SENATOR.**

The Saturday Evening Post tells the following story of the junior United States Senator from Kentucky, in which many of his constituents will find interest:

Some years ago, while he was Governor of Kentucky, Mr. McCreary's favorite horse, Prince, a handsome bay of royal blood, learned the trick of slipping the bride. The Governor had the groom to search every saddle's shop in Richmond for a bride that Prince couldn't slip. Being unable to find one, he went in person to a certain shop and asked for a safe bride. The dealer replied that he had none.

"That's strange," said the Governor, "why don't you make one?"

"Never saw one, and don't know how."

"Well, I'll show you."

With that he took off his coat and went to work. The result was such a surprise to the saddle that he did not get over it for a week. The hooded bride, now in common use, is very simple, but will baffle any horse, however tricky he may be.

The dealer wanted to have it patented and called the McCreary Bride, but the Governor would not hear of it.

He said that any man who had followed him, who had ridden every kind of horse, could be "borrowed" on the way, and then didn't know how to make a bride that would not slip, ought not be allowed to own a horse.

Georgetown Times: Investigation has revealed the damaging fact that inmates of the Lakeland Insane Asylum have been subjected to brutal and inhuman treatment. A mere dismissal seems to be a light punishment for such an outrage. The man who would abuse the unfortunate and helpless creatures confined in an institution like this is simply a brute, and the punishment should be in keeping with the brutality shown.

The investigation is not yet ended.

The master should be probed to the bottom, and the severest penalty fixed by the law should be speedily visited upon every offender. Let no guilty man escape.

**LET US HELP YOU FIND A HOME IN THE SOUTHWEST.**

Along the Cotton Belt route, where land can be bought for \$2.83 an acre up-cut over timber land affords good range for live stock; rich cotton lands for corn, wheat, oats, cotton; splendid for fruits and vegetables—peaches, pears, plums, strawberries, tomatoes, potatoes, cucumbers, melons—finding good markets and fancy prices in the North on account of excellent qualities and marketing ahead of other sections. A land where living is cheap—lumber at \$7 to \$8 a thousand, fuel for the cutting, range for the stock nearly the year round, garden truck for the table from March to December. The farmer who pays high rent in the North, or tills worn out soil in the East, is missing one of the best things of life by not securing a home in the Southwest.
